

Help give BSW a Full Score!

One of the leading wind ensembles in the UK, **Birmingham Symphonic Winds (BSW)** is proud to help create and perform new works for symphonic wind orchestra.

Works such as *The Canticle of the Sun* by Martin Ellerby, *Divertimento for Band* by Guy Woolfenden and *Shakespeare Pictures* by Nigel Hess have all been commissioned by BSW and are now performed by wind orchestras worldwide.

Through **Full Score!** you can play your part too. . .

By making a donation you can help fund new works to be premiered by BSW which could become part of the wind orchestra repertoire.

You can donate £25 (**Bronze**), £50 (**Silver**) or £100+ (**Gold**).

All donors **Bronze, Silver & Gold**, will be credited in the relevant score and on the BSW website and have the opportunity to purchase the full score of the piece you've helped to commission.

Silver donors (£50) will also receive:

- A copy of the score's front page signed by the composer
- A CD recording of the work's premiere performance

Gold donors (£100+) will receive all of the above, plus invitations:

- To see the work in rehearsal
- To attend a special premiere drinks reception

We hope you will consider helping us to create our next Full Score!

It is always a great pleasure to work with Birmingham Symphonic Winds.

Nigel Hess, composer

BSW undertakes a continuous programme of commissioning and donations may be allocated to future works.
